

ATTENTION VISITORS

Due to the Risks Associated
with the Flu and Coronavirus

Do NOT visit if you are ill:

- If you have a cold, respiratory or flu-like symptoms such as fever, runny nose, cough, shortness of breath or muscle aches, please do not visit until you are symptom-free for 24 hours.

Do NOT visit if you:

- Have used public transportation.
- Have visited an area where people have tested positive for Coronavirus .

If you do not have any of the above symptoms, you may enter the facility. Please remember to wash your hands:

- When you enter the facility.
- Before you enter a resident's room.
- After you leave a resident's room.
- When you leave the facility.

*Alcohol-based hand sanitizer is conveniently
located for your use inside the facility.*

Please limit your visit to one resident. • Thank you for your cooperation!
